

# 5 FREE resources to get notary business today

1

**Established Listing Services** - [www.notaryrotary.com](http://www.notaryrotary.com) & [123notary.com](http://123notary.com) will give you fast and easy exposure to loan signing business. Conduct the loan signing perfectly and add value by packaging, and you could be on the preferred list of the escrow agent! Take our class and we'll show you a quick trick to get 5X more exposure on these services!

2

**Newer Listing Platforms** - [snapdocs.com](http://snapdocs.com) or [ventekinc.com](http://ventekinc.com) are newer 'platforms' that provide services to loan signing and escrow services, including listing notary loan signing agents where you could be found. Many escrow companies and loan signing services are using these platforms to more efficiently execute the loan signing process.

3

**Real Estate Caravans** - Real estate agents meet every week to tour homes, hear financing updates from mortgage brokers, and meet escrow agents. This is a loan signing agent's optimal target market. Hand out the perfect business card (you'll learn what to put on it in our class), and get business. You can find your local caravan by simply Googling it.

4

**Real Estate Networking Groups** - Real estate agents, mortgage brokers, and escrow agents meet monthly at networking events. Usually it's an open invitation to anyone in the industry. You can find these groups on [meetup.com](http://meetup.com) or simply Google it. Hand out a perfect business card and get on your target market's rolodex!

5

**LinkedIn** - While escrow agents aren't typically searching for notary publics on LinkedIn, that doesn't mean you can't seek them out. Update your profile that you are a notary public loan signing agent, add the three primary things that escrow agents want to hear from a notary loan signing agent, and reach out and introduce yourself. Don't forget to provide your best contact info!
